Helping people perform at their best

Wireless communication is an integral part of all our lives
RTX provide our customers with the best possible wireless communication solutions,
allowing their customers to seamlessly connect and communicate

Market Trends

Anywhere Anytime

Increasing demand for **wireless communication** (*Speech / Audio / Text / Data*)

driven by the need for **mobility, reliability,**
and **operational efficiency**

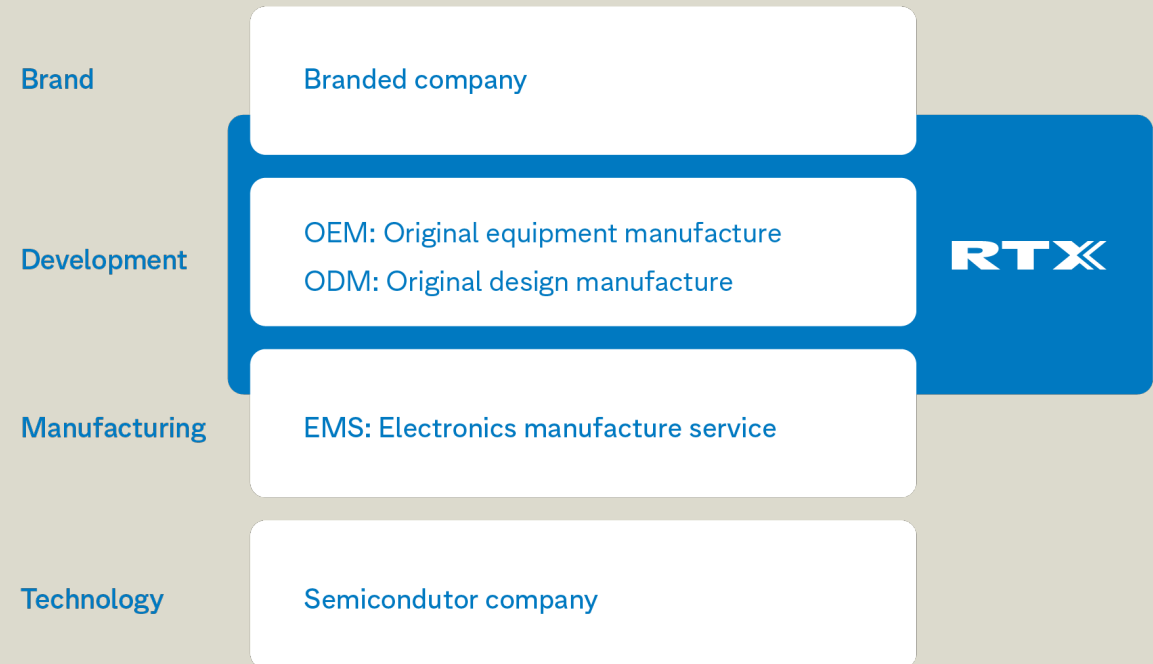

Trusted Partnerships throughout the value chain

B2B Customers

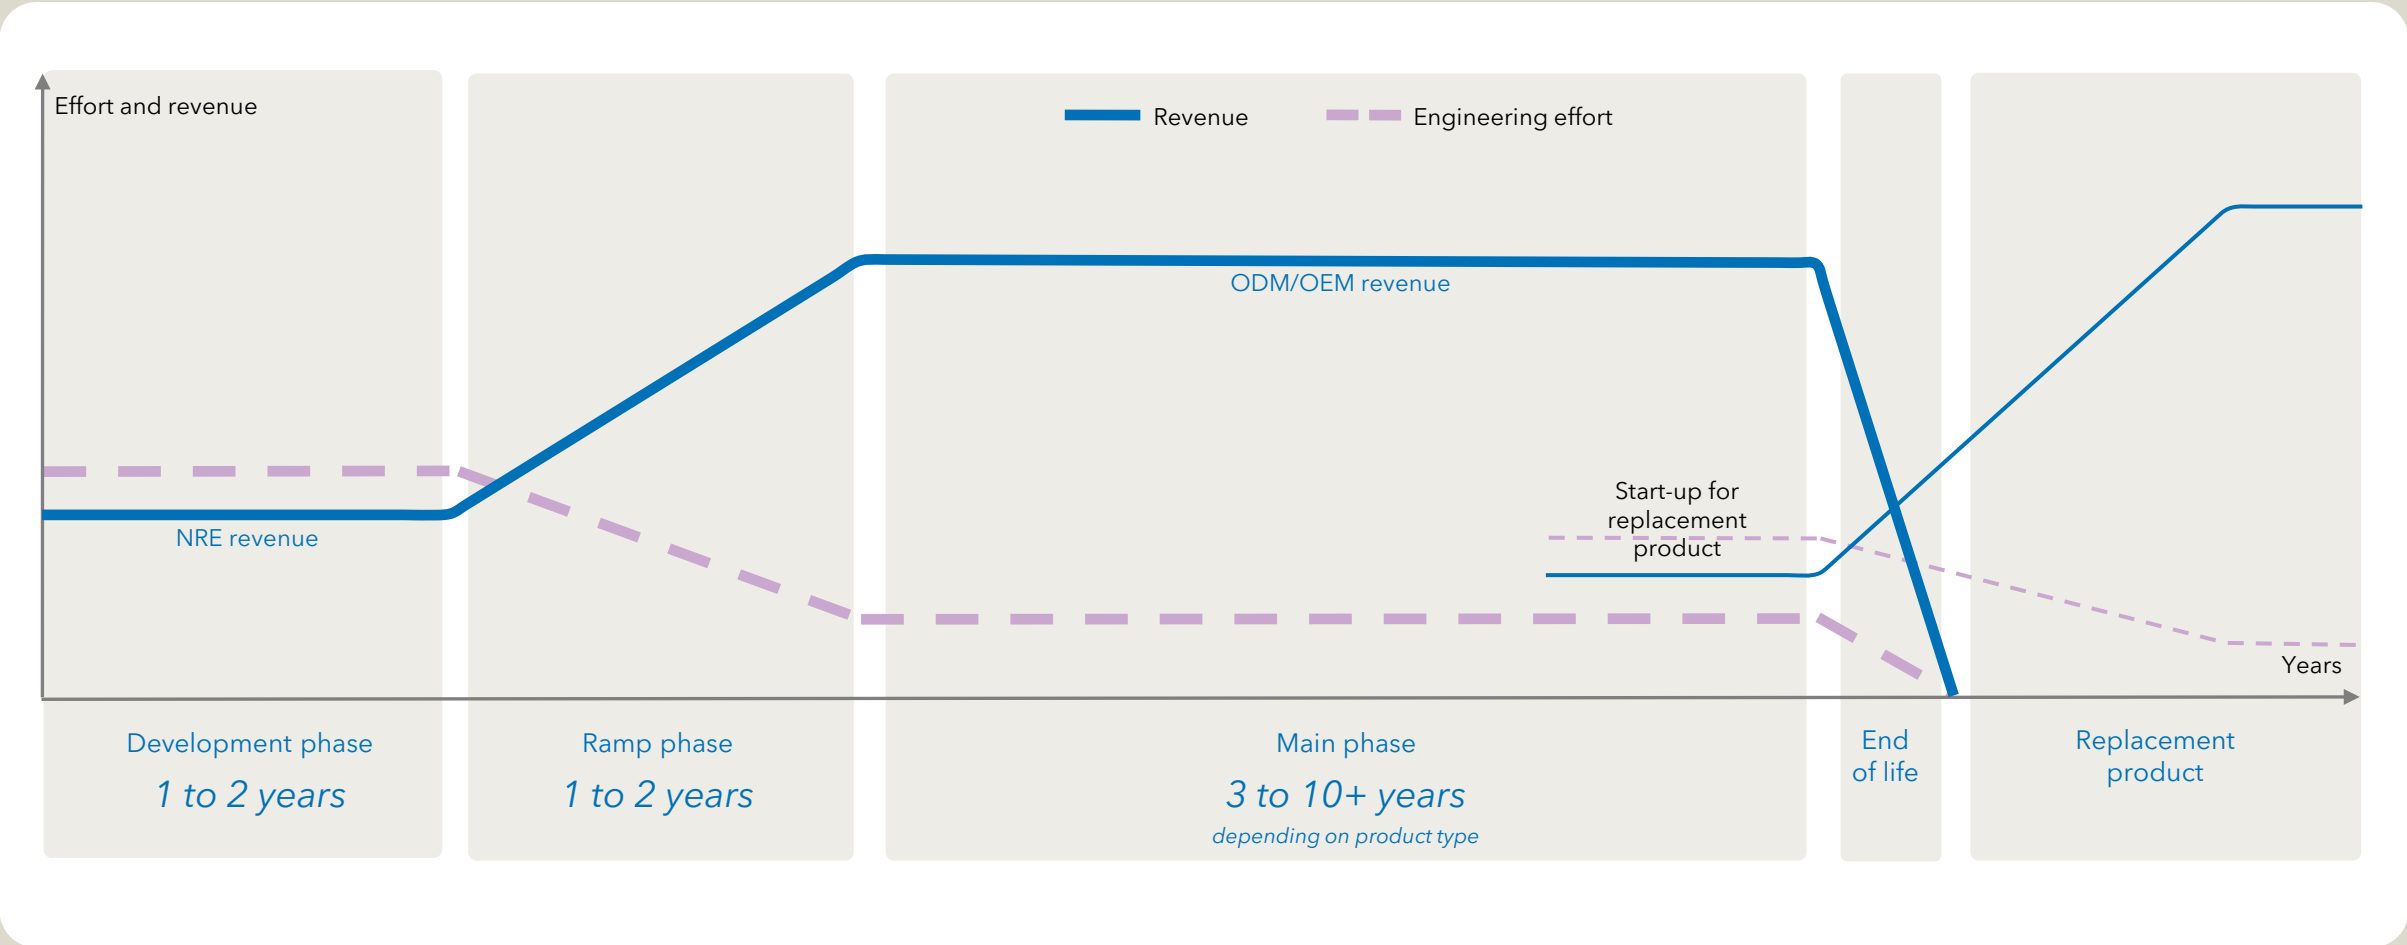

Industry Structure

Design-in customer solutions and long life cycles

Decade long contracts with global customers

What we do

RTX innovates, designs, and manufactures wireless communication solution.

Working in close partnership with our B2B customers, we offer 'turn-key', end-to-end solutions with full product lifecycle management .

Enterprise

Wireless IP telephony products and sub-systems, with seamless and reliable integration

Comprising handsets, headsets, and advanced cloud-based tools across diverse environments like retail, healthcare, industrial settings.

ProAudio

Modules for high quality wireless audio solutions for our customers products

We simplify the creation of high-quality wireless audio solutions used in microphones, gaming headsets, conference systems, content creation tools, and intercoms for various industries.

Healthcare

Infrastructure solutions for wireless patient monitoring systems

We help our customers integrate wireless technology into patient monitoring solutions, seamlessly connecting patient worn devices and monitoring systems.

Agenda

1. About RTX
2. Key Highlights and Business Update
3. Financial Highlights for Q1 2024/25
4. Outlook
5. Q&A

Revenue

Q1: **5** DKKm

Revenue (2023/24)

Q1: **14** DKKm

Agenda

1. About RTX
2. Key Highlights and Business Update
3. Financial Highlights for Q1 2024/25
4. Outlook
5. Q&A

Revenue

Revenue

Q1: **101** DKKm

Revenue (2023/24)

Q1: **82** DKKm

The revenue development reflects a strong performance in Enterprise, where some customers have reduced their inventory and has started placing new orders. ProAudio is in line with expectations, where Healthcare is low for the quarter. The expectations for the full year is maintained.

The USD impact on the quarter compared to last year is 1.8%

Revenue

DKK million

Gross Margin

Gross Margin
Q1: **50.8%**

Gross Margin (2023/24)
Q1: **38.9%**

As anticipated, we see a solid gross margin in Q1. This is a result of both product mix and cost optimization efforts in production planning and sourcing.

Gross Margin
%

EBITDA

EBITDA

Q1: **-9.4** DKKm

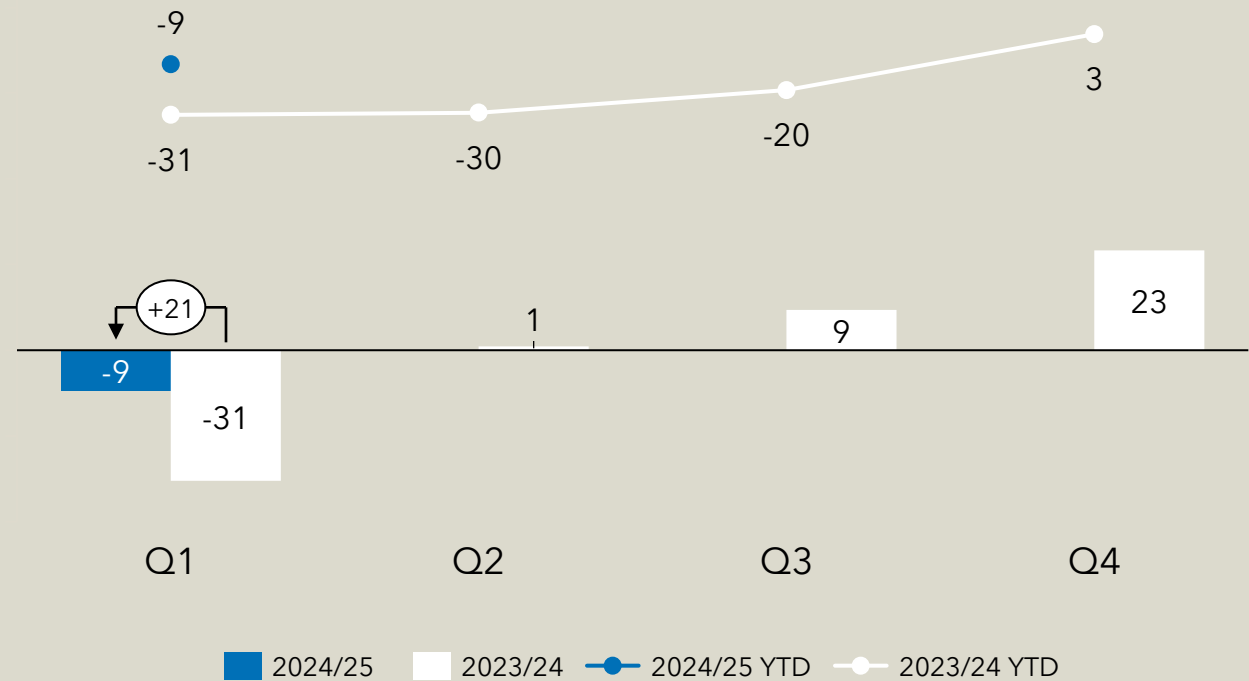

EBITDA (2023/24)

Q1: **-30.5** DKKm

The development in EBITDA for the period is impacted mainly by the revenue level and improved gross margin compared to same period last year.

EBITDA

DKK million

Other key financial highlight

Inventory

Q1: **82** DKKm

Q1 23/24: 108 DKKm

Inventory end of Q1
